

ADDITIONAL WIFI ORDER FORM- TEAM SAN JOSE

Team San Jose - Wifi

San Jose offers a great free wifi experience. Their Wickedly Fast Free Wi-Fi network allows attendees to stream simultaneously without interruption or congestion.

However, exhibitors sometimes need stronger, dedicated internet! If you plan to demo at your booth, it is recommended you purchase dedicated bandwidth.

Orders not submitted by Monday, September 23 are subject to non-fulfillment or late fees.

To order dedicated wifi, visit the San Jose Exhibitor Wifi Portal:

iebms.sanjose.org/coe/coe_p1_all.aspx?oc=10&cc=EXHCOE

Calendar of Events - Service Order Processing

Exhibiting at an upcoming show? Require internet services, utility service and more?

You can now order these services directly from our website. Not only will you save time but you will also contribute to our sustainability efforts by reducing paper consumption.

Simply click on an event to start an order.

For assistance, please contact **Tech Services** at **(408) 792-4188** or techservices@sanjose.org.

Once on the portal screen, scroll down to the event "API World 2019" . Click on the link and complete the ordering process.

October 2019

Date	Event	Location
Wed 2 - Sun 6	CATPESOL Annual Convention	Convention Center
Fri 4 - Fri 11	ARM TechCon 2019	Convention Center
